

LEED ATTESTATION

Attestation

LEED Product Information acc. to LEED v4 for Building Design and Construction.

Sika certifies based on the present state of knowledge, that the product

Sikafloor®-220 W Conductive

produced in Stuttgart, Germany, does not contain any intentionally added substances in concentrations above 0.01 % (w/w) from the candidate list published by the ECHA (status 15. January 2019) or subject to authorization (REACH Annex XIV, status 16 June 2017) or substances which are restricted (REACH Annex XVII).

The product Sikafloor®-220 W Conductive conforms on the LEED v4 MR credit 4 option 2 Building product disclosure and optimization - **Material ingredients**. The product can thus contribute to the attainment of 1 point under this credit.
