

# LEED ATTESTATION

## Attestation

LEED Product Information acc. to LEED v4 for Building Design and Construction.

Sika certifies based on the present state of knowledge, that the product

## Sikagard®-403 W

for use in construction of buildings and infrastructure, produced in Preston, United Kingdom, does not contain any intentionally added substances in concentrations above 0.01 % (w/w) from the candidate list published by the ECHA (status status June 2013) or subject to authorisation (REACH Annex XIV, status 14. June 2017) or substances which are restricted (REACH Annex XVII).

The product Sikagard®-403 W conforms on the LEED v4 MR credit 4 option 2 Building product disclosure and optimization - **Material ingredients**. The product can thus contribute to the attainment of 1 point under this credit.
